2010 USS MULIPHEN REUNION WRAP UP

The USS Muliphen (AKA-61) held a reunion for its former sailors and their family and friends at the Holiday Inn BWI in Baltimore, MD on April 22-25, 2010. Eleven members and eight of their guests attended the reunion and enjoyed spending time with old friends and reminiscing about their days on the Muliphen.

Most of the reminiscing took place in the Hospitality Room where refreshments and space for memorabilia was provided. This is where most of the shipmates ended up after registering on Thursday. Mr. Edwin Calhoun was the first to register and he brought along a surprise for everyone. He had put together a CD entitled "USS Muliphen: Remember" with pictures and stories about the great ship! This was such a wonderful surprise for everyone. Thank you Mr. Calhoun!

At 5:00 pm the reunion officially began with the Welcome Reception. Hors d'oeuvres were served and everyone enjoyed one another's company. The remainder of the evening was free to have dinner and spend time in the Hospitality Room to share stories.

On Friday some of the group went into Baltimore to the Inner Harbor and visited some of the ships on display there—USS Constellation, USS Torsk and USCGC Taney. There was plenty to do and see at the Inner Harbor, so no one had a boring day. The Hospitality Room was again utilized during the day by various groups who enjoyed conversation and camaraderie with old friends.

At dinner the group came together for a Chesapeake-style dinner buffet of crab soup, tuna salad, Maryland crab cakes, grilled chicken with Chesapeake sauce and veggies.

Saturday morning began with the hotel breakfast buffet and then at 9:00 am the business meeting was held. The remainder of the day was a leisure time, free to explore Baltimore, relax at the hotel or shop at some of Baltimore's many shops and boutiques.

At 6:30 pm it was time for the pre-dinner cocktail hour and photo session to begin. Individuals, couples and group pictures were made as everyone enjoyed his/her favorite drink and shared their day with the others. At 7:30 pm the USS Muliphen (AKA-61) banquet began with the playing of the "Anchors Aweigh" as the Color Guard from Fort Meade presented the colors for the singing of the National Anthem and the Pledge of Allegiance. After the colors were retired, Jerry Wortherspoon gave the welcoming remarks and introductions were made. A dinner featuring London Broil was served.

Following dinner, JO2 Joe Clark was introduced as the guest speaker. Mr. Clark was recruited for the speaker's position by former USS Muliphen member Herman Autry. Mr. Clark is from Mr.

Autry's hometown and a friend of his son. Senior Chief Clark was deployed to Aden, Yemen after the attack on the USS Cole (DDG 67) He provided video and photography used during the investigation of the bombing and talked extensively about the attack. He also spoke about his time at Guantanamo

Bay. His presentation was greatly appreciated by the group.

The last item on the banquet agenda was the Memorial Service which remembers all the USS Muliphen shipmates who had passed away, especially those since the last reunion. Chaplain for the service was Herman Autry; bell ringer Edwin Calhoun and Gerald Wotherspoon lit the candles. A special prayer was said for Mr. Wyatt who had led the group for years and is now very ill. With the conclusion of the Memorial Service, the banquet activities came to an end. It had been a wonderful evening with the best company possible.

Sunday morning was the time for good byes. Everyone was sad for the reunion to end, but looking forward to next year and hoping to see more of their friends in 2011.
